BOOK PRODUCTION INDUSTRY

ANNUAL SUBJECT INDEX

JANUARY-DECEMBER

1969

ASSOCIATIONS

American Book Publishers Council
ABPC Reports Net Sales of Books, Aug. p12
Publishing, Aug. p40
Publishing Mergers: The When and Why, June p57
American Business Press
Publishing, Aug. p40
American Educational Publishers Institute
Publishing, Aug. p40
Textbook and Subscription Reference Statistics Reported by AEPI, July p8
American Institute of Graphic Arts
Children's Book Show, May p52
Fifty Books of the Year, May p46
Association of American University Presses
The AAUP Book Show, Aug. p57
Publishing, Aug. p40
Book Manufacturers' Institute
Manufacturing, Dec. p34
Computer Section, PIA
Graphic Technology, July p40
Graphic Arts Technical Foundation
Graphic Technology, July p40
Information Industry Association
IIA Proposes Changes in Congressional Copyright Commission Membership, Nov. p7
New Copyright Questions for the Information Age, Sept. p59
Publishing, Aug. p40
Library Binding Institute
LBI Releases Results of 1969 Survey of Maintenance of Library Materials, July p14
Printing Industries of America
Winners Chosen in 1969 PIA Graphic Arts Awards Competition, Aug. p28
Research and Engineering Council
Graphic Technology, July p40
Technical Association of the Graphic Arts
Graphic Technology, July p40
Technical Association of the Pulp and Paper Industry
Ink Drying: Electronics Promise Basic Changes, Apr. p48
New Breakthroughs in Testing Paper, Dec. p.48
Trade Binders Section, PIA
Graphic Technology, July p40
Trade & Loose Leaf Binding, June p64
Vision 69
Graphic Technology, July p40
Web Offset Section, PIA
Graphic Technology, July p40

BINDING

A Breakthrough in Adhesive Casebinding, Feb. p48
Can a Trade Bindery Survive in the Central City? June p52
Census Figures Reported for Bookbinding Industry, Dec. p7
The Fully Integrated Bindery, Sept. p.51
Graphic Technology: Binding, July p63
LBI Releases Results of 1969 Survey of Maintenance of Library Materials, July p14
Storage Systems: Key to Total Bindery Automation? Oct. p61
System Design: New Trend in Binding Equipment, Apr. p42
Trade & Loose Leaf Binding, June p64
Who Gets Paid How Much in Manufacturing, Apr. p51

BOOK SHOWS

The AAUP Book Show, Aug. p57
Book Show Wrap-Up, May p45
The Chicago Book Show, May p60
Children's Book Show, May p52
Fifty Books of the Year, May p46
The New England Book Show, May p57
The Philadelphia Book Show, May p63
The Western Book Show, May p66

COMMUNICATIONS

AT&T Will Allow Customers to Share Lines for Data Services, Jan. p74
Anyone for Data Base Publishing? Nov. p61
The Basic Copyright Need: A Clear Definition of Concept and Principles, June p69
CATV and Copyright: The Lack of Definition in Publishing/Communications, Apr. p57
CATV and the FCC: How Old Concepts Obscure New Opportunities to Solve Vexing Problems, July p67
CBS Develops System Using TV Set for Playback, Feb. p14
Editorial: Above All, Tell a Good Story, Nov. p51
Editorial: Publishing's Stake in the National Issues, Sept. p47
The Editor: In an Era of Vast Market Change, Will He Become the Vanishing American? Dec. p55
Facsimile Systems for Publishing, Dec. p42
Facsimile Transmission: Publishers' Link to the Future, Nov. p65
Freedom of the Press: Is Turmoil in Broadcasting Bringing Regulation of Print? May p71
IIA Proposes Changes in Congressional Copyright Commission Membership, Nov. p7
The Information Age: Data Bases and the Need for Hard-nosed Market Analysis, Aug. p61
Information Networks to Spur Computer Equipment Sales in 1970's, Oct. p7
Information Science: Despite its Progress, Major Questions Still Remain to Be Answered, Oct. p71
New Copyright Questions for the Information Age, Sept. p59
New York Times Establishes Computerized Data Bank, May p7

New Copyright Questions for the Information Age, Sept. p59
New York Times Establishes Computerized Data Bank, May p7

Publishing, Aug. p40
Publishing's Total Market, Mar. p36
The SATCOM Report: An Essential Role for Commercial Publishers in Information Transfer, Sept. p69
TV Broadcasters, CATV Owners Announce Accord on Cable TV Regulations, July p7

COMPOSITION

Computer Composition Users on Sharp Rise, Jan. p12
The Data Bank: What Is It and How Would You Operate It? Feb. p67
Graphic Technology: Preparatory, July p40
Keyboards: Growing Sophistication, Feb. p60
Program for Math Composition Cuts Keyboard Time, July p74
What Happens When Designer Confronts Computer? Mar. p52
Who Gets Paid How Much in Manufacturing? Apr. p51

DESIGN

Annual Magazine Design Awards Presented in Three Categories, July p29
The Computer as Artist, the Computer as Author, Oct. p66
Dictionary Produced in Large Type Edition, Mar. p33
The Great Rebus Debate, Oct. p56
Hermann Zapf Predicts Need for Dramatic Innovations in Type Design, Nov. p31
Identifying Marks of Early Printers, Aug. p25
Loujon Press Publishes Latest Issue of Outsider, May p25
McGraw-Hill Exhibits Graphic Designs, Nov. p34
Museum Publishes Book with 'Tin Can' Covers, Jan. p26
The 1969 BPI Book Show Wrap-Up, May p45
Rudolph Ruzicka Prepares Ten New Type Designs, Apr. p23
Self-Portrait Stamp Created for Retiring President of Printing Co., July p30
Split-level Pages Put Reader in the Writer's Seat, Jan. p25
Tomorrow's Book Design Today: Documenting the Evolutionary Change, Sept. p32
Typography that Makes the Reader Work, Feb. p57
What Happens When Designer Confronts Computer? Mar. p53
Winners Chosen in 1969 PIA Graphic Arts Awards Competition, Aug. p28
Yellow Submarine Artwork Surfaces in Publishing, Sept. p29

ECONOMICS/MARKETING

Anyone for Data Base Publishing? Nov. p61
The Booming Business of Business Information, Apr. p46
Can a Trade Binder Survive in the Central City? June p52
The Coming Market, Materials, Media of Early Childhood Learning, Sept. p48
Commerce Department Reports on Merger Trend, Feb. p8
Computerized Estimating, A Vision Come True, Jan. p50
Editorial: A Rational Approach to Standardization, Oct. p51
Editorial: Portrait of the Future Maybe, Mar. p35
The Editor: In an Era of Vast Market Change, Will He Become the Vanishing American? Dec. p55
Fewer, But Better, College Text Titles, Oct. p58
GNP Projected to Reach $916 Billion in '69, Apr. p14
The IBM Unbundling: Toward More Rational Pricing and an Industry Definition? Nov. p73
Increased Postage Has Greatest Inflationary Impact, Sept. p14
The Information Age: Data Bases and the Need for Hard-nosed Market Analysis, Aug. p61
Lightweight Papers, Can Publishers' Demands Be Met? Sept. p63
Manufacturing, Dec. p34
Multi-Media: Beginning of a Revolution in Publishing House Operations, Jan. p65
New Packaging System Helps Solve Warehousing Problems & Slow Downs, Dec. p46
PIA Study Calls for Cost and Price Discipline Using Contribution Method of Cost Analysis, Aug. p7
Publishers Would Wipe Out 15% Commission, Oct. p16
Publishing, Aug. p40
Publishing Mergers: The When and Why, June p57
Publishing's Total Market, Mar. p36
System Design: New Trend in Binding Equipment, Apr. p42
To-Order Publishing Comes of Age, Apr. p38
Trends in Modern Bindery Technology and Marketing, Nov. p52
Web Offset: Will It Dominate Future Publishing Production? Oct. p52

EDITORIALS

Above All, Tell a Good Story, Nov. p51
The Cost of Ignoring the Future, Apr. p37
1970's: The Turning Point, Dec. p33
1969: Is the Die Cast? July p39
Our National Priorities, June p47
The Pioneer Personality, Jan. p39
Portrait of the Future—Maybe, Mar. p35
Publishing's Stake in the National Issues, Sept. p47
A Rational Approach to Standardization, Oct. p51
A Sense of Commitment, Aug. p39
Today's People Challenge, Feb. p.47

EDUCATION

Book Industry Should Create Means of Education for Underprivileged in U. S., June p17
Bureau of Budget Recommends $370 Million Cut in Education Program, June p7
The Coming Market, Materials, Media of Early Childhood Learning, Sept. p48
Computer Assisted Instruction, Jan. p40
Editorial: The Pioneer Personality, Jan. p39
Editorial: Our National Priorities, June p47
Editorial: Publishing's Stake in the National Issues, Sept. p47
Federal Spending for Education Will Total $76 Billion in 1977, June p14
Fewer, But Better, College Text Titles, Oct. p58
The Latin American Market, Feb. p53
Manufacturing, Dec. p34
Publishing, Aug. p40
Publishing's Total Market, Mar. p36
School and College Enrollment Expected to Rise 1.2% Over Last Year, Oct. p8
Speed Reading Industry Enjoys Fast Growth, Dec. p8
Textbook and Subscription Reference Statistics Reported by AEPI, July p8
To-Order Publishing Comes of Age, Apr. p38
Vocational Education, A Potential Publishing Boom in Need of Definition, June p48

GOVERNMENT RELATIONS

Bureau of Budget Recommends $370 Million Cut in Education Program, June p7
CATV and Copyright: The Lack of Definition in Publishing/Communications, Apr. p57
CATV and the FCC: How Old Concepts Obscure New Opportunities to Solve Vexing Problems, July p67
Editorial: Our National Priorities, June p47
Federal Spending for Education Will Total $76 Billion in 1977, June p14
Freedom of the Press: Is Turmoil in Broadcasting Bringing Regulation of Print? May p71
IIA Proposes Changes in Congressional Copyright Commission Membership, Nov. p7
Information Science: Despite its Progress Major Questions Still Remain to Be Answered, Oct. p71
The Mess We Call Our Postal System, Jan. p56
Paper Industry Should Develop Positive Approach to Pollution Control, June p85
Publishing, Aug. p40

INDUSTRY STATISTICS

ABPC Reports Net Sales of Books, Aug. p12
The Booming Business of Business Information, Apr. p46
Census Data Released for Book Publishing and Printing, Nov. p9
Census Data Released for Business Forms, Engraved Printing, Dec. p16
Census Data Released for Photoengraving, Electrotyping, Oct. p14
Census Figures Released for Blankbooks and Loose Leaf Binders, Sept. p7
Census Figures Reported for Bookbinding Industry, Dec. p7
Census Figures Reported for Greeting Card Industry, Nov. p10
Commerce Department Reports on Merger Trend, Feb. p8
Computer Composition Users on Sharp Rise, Jan. p12
Future Growth of Paper Capacity, Feb. p84
Microform Market to Hit $1.6 Billion by 1978, Nov. p22
Paper and Paperboard Production Reached Record Levels, June p86
Paper Industry is Part of Larger Complex, Feb. p88
Paper Industry Profits Expected to Increase, May p87
Project Slowdown in Copier Industry Growth, Mar. p8
Taxes, Inflation Severely Cut Pay Increases of New York City Workers, June p10
Textbook and Subscription Reference Statistics Reported by AEPI, July p8
Use of Paper and Board in Packaging not Decreasing, Feb. p86
Who Gets Paid How Much in Manufacturing, Apr. p51

INTERNATIONAL

Australian Book Industry Faces 'Extinction,' May p13
The Latin American Market, Feb. p53
Publishing, Aug. p40
Publishing's Total Market, Mar. p36

LOOSE LEAF

Census Figures Released for Blankbooks and Loose Leaf Binders, Sept. p7
Graphic Technology: Binding, July p63
New Directions in Loose Leaf, Nov. p57
Trade & Loose Leaf Binding, June p64
Trends in Modern Bindery Technology and Marketing, Nov. p52

MANAGEMENT

Anyone for Data Base Publishing? Nov. p61
Can a Trade Bindery Survive in the Central City, June p52
Computerized Estimating, A Vision Come True, Jan. p50
Computer Software Problem a 'People Problem,' May p8
The Data Bank: What Is It and How Would You Operate It? Feb. p67
Editorial: The Cost of Ignoring the Future, Apr. p37
Editorial: 1969, Is the Die Cast? July p39
Editorial: A Sense of Commitment, Aug. p39
Editorial: Today's People Challenge, Feb. p47
Fewer, But Better, College Text Titles, Oct. p58
Manufacturing, Dec. p34
The Mess We Call Our Postal System, Jan. p56
Multi-Media: Beginning of a Revolution in Publishing House Operations, Jan. p65
PIA Study Calls for Cost and Price Discipline Using Contribution Method of Cost Analysis, Aug. p7
Publishing, Aug. p40
Publishing Mergers: The When and Why, June p57
Trade & Loose Leaf Binding, June p64
Who Gets Paid How Much in Manufacturing, Apr. p51

NEW TECHNOLOGY

Associated Press Develops High Speed Transmitters, June p17
CATV and Copyright: The Lack of Definition in Publishing/Communications, Apr. p57
CBS Develops System Using TV Set for Playback, Feb. p14
The Computer as Artist, the Computer as Author, Oct. p66
Computer Assisted Instruction, Jan. p40
Development of Instant Printing Process, June p78
Facsimile Systems for Publishing, Dec. p42
Facsimile Transmission, Publishers' Link to the Future, Nov. p65
Graphic Technology, July p40
High Resolution Picture Transmission Using Laser Technology, May p84
Ink Drying: Electronics Promise Basic Changes, Apr. p48
Manufacturing, Dec. p34
Printing Process Developed Using Laser-Made Hologram as Plate, Jan. p69

PAPER AND COVER MATERIALS

Future Growth of Paper Capacity, Feb. p84
Lightweight Papers, Can Publishers' Demands Be Met? Sept. p63
Manufacturing, Dec. p34
New Breakthroughs in Testing Paper, Dec. p48
Paper Industry is Part of Larger Complex, Feb. p88
Paper Industry Profits Expected to Increase, May p87
Paper Industry Should Develop Positive Approach to Pollution Control, June p85
New Understanding of Paper Runnability Grows, Jan. p46
Paper and Paperboard Production Reached Record Levels, June p86
Success of Disposable Refuse Containers Proven in New York City, Dec. p67
Use of Paper and Board in Packaging not Decreasing, Feb. p86

PREPARATORY PROCESSES

Census Data Released for Business Forms, Engraved Printing, Dec. p16
Census Data Released for Photoengraving, Electrotyping, Oct. p14
Get Color Correction Right the First Time, Mar. p48
Graphic Technology: Preparatory, July p40
Letterflex Plate System Now in Commercial Production, Apr. p61
Quality Tests of Shoot-through Film Engravings, Feb. p78
Who Gets Paid How Much in Manufacturing, Apr. p51

PRESSROOM

Cameron Book Production System Reported in Successful Operation at Kingsport Press, July p12
Development of Instant Printing Process, June p78
Graphic Technology: Printing, July p52
Ink Drying: Electronics Promise Basic Changes, Apr. p48
New Understanding of Paper Runnability Grows, Jan. p46
Printing by the Pound, June p61
Printing Process Developed Using Laser-made Hologram as Plate, Jan. p69
Sheet-fed Outproduces Web at Zabel Brothers, Apr. p66
Single Impression Cylinder Featured, May p77
Web Offset vs. Sheet-fed, competition or Coexistence, Sept. p55
Web Offset: Will It Dominate Future Publishing Production? Oct. p52
Who Gets Paid How Much in Manufacturing? Apr. p51

PRODUCT DEVELOPMENT

A Breakthrough in Adhesive Casebinding, Feb. p48
Graphic Arts Suppliers Contribute to Success of Apollo Moon Landing, Sept. p83
Keyboards: Growing Sophistication, Feb. p60
Letterflex Plate System Now in Commercial Production, Apr. p61
Lightweight Papers, Can Publishers' Demands Be Met? Sept. p63
Manufacturing, Dec. p34
New Directions in Loose Leaf, Nov. p57
New Magazine in Form of Cartridges, June p8
Spark Trap Eliminated Fire Hazard, June p83

STATE OF THE INDUSTRY

Trends in Modern Bindery Technology and Marketing, Nov. p52

NEW SUPPLIES AND EQUIPMENT

Addressing machine, Cheshire, Inc., Feb. p78
Addressing machine, Cheshire, Inc., Jan. p72
Addressing machine, Cheshire, Inc., Nov. p80
Adhesive binding machine, liquid plastic, General Binding Corp., Jan. p72
Adhesive, hot-melt, National Adhesives, Oct. p84
Air shaft, multi-grip, Tideland Machine Co., Feb. p80
Annunciator/monitor, press operations, Visi-Con, Feb. p77

Bar, blanket attachment, Dayco Corp., Feb. p80
Baler, self-propelled, Maren Engineering Corp., Oct. p82
Binding system, booklet saddle-stitched, Harris-Seybold, July p73
Binding system, plastic tack, Pengad, Feb. p80
Blanket, offset, Samuel Bingham Co., Feb. p80
Bookbinding material, Paterson Parchment Paper Co., Apr. p23
Book trimmer, Harris-Seybold, May p82

Calculator, paper weight, Sorg Paper Co., Jan. p26
Camera package, Brown Manufacturing Co., Feb. p83
Casing-in/building-in machine, Schuler Sales & Service Co., Dec. p59
Chase, for book stamping machines, Motter Bookbinding Co., Apr. p73
Collator, automatic, General Binding Corp., Mar. p63
Collator, high-speed, The Michael Lith Sales Corp., Nov. p88
Color proofing kit, Direct Reproduction Corp., Dec. p59
Color proofing system, Staley/Graphics, Oct. p75
Color proofing system, 3M, Sept. p32
Color separation system, Web Press Engineering, Oct. p76
Computer, book measuring, Mekatronics, Inc., Aug. p.66
Computer storage device, Friden Co., Dec. p60
Computer system, small, International Business Machines, Oct. p80
Computer terminal, Dura, Apr. p66
Copier, color, 3M Co., Sept. p75
Copier, computer image, International Business Machines Corp., Feb. p77
Correction patches, perforated tape, Robins Data Devices, Inc., June p84
Cornering machine, double, The Challenge Machinery Co., Oct. p76
Counter/stacker, automatic, Consolidated International Corp., May p80
Counter/stacker, Milgo/IDAB Corp., Jan. p71
Covers, press components, Kendall Co., May p86

Dampener, electronic, Chandler & Price, Aug. p68
Darkroom, portable, Brown Manufacturing Co., Dec. p63
Darkroom products, Roberts & Porter, Inc., Jan. p71
Data communication system, International Business Machines Corp., Sept. p78
Data coupler, portable acoustic, Dura, Apr. p63
Data coupler series, Connecticut Technical Corp., Sept. p75
Data entry system, Addressograph Multigraph Corp., Dec. p60
Data set, International Communications Corp., May p80
Data terminal, Dura, Aug. p65
Data transmission device, International Communications Corp., Jan. p76
Digital controller, Photon, Inc., Nov. p79
Drill, for paper, Lawson Co., Apr. p70
Dryers, for web presses, TEC Systems, Inc., Aug. p68
Dryer, web, Web Press Engineering, Inc., Dec. p66
Dust hopper unit, Torit Corp., June p83

Encoder, Keymatic Data Systems, June p78
Enlarger, screening and separation, Rutherford Machinery, Nov. p82
Eraser, rubber cement, Union Rubber and Asbestos Co., Dec. p31
Etcher, aluminum letterpress plate, Philip A. Hunt Chemical Corp., Feb. p77

Film laminator, automatic, Morane Plastic Co., Ltd., Apr. p66
Film cleaner, anti-static, Direct Image Corp., June p83
Film processor, LogEtronics, Oct. p80
Film processor, Rutherford Machinery Corp., Dec. p66
Film, stabilization, Supre-Lith, Jan. p74
Flexography products, W. R. Grace & Co., Jan. p76

Gas burner, flat flame, Therm-Tech, Feb. p80
Gathering machine, automatic, Schuler Sales & Service Co., June p77
Gluer/feeder, Consolidated-Mueller Corp., Nov. p79
Guiding system, for webs, Fife Corp., Nov. p82
Gum solution, Direct Image Corp., June p84

Heat sealer, for thermoplastics, Sealomatic, Mar. p63

Image transfer system, Du Pont Co., Nov. p81
Indexer, Thermatron, Oct. p76
Indexing machine, Sealomatic, June p80
Ink dryer, Radio Frequency Co., Dec. p60
Ink mixer, variable speed, National Machine Co., May p84
Inks, litho, Pope & Gray, May p78
Ink printer, A. B. Dick Co., Sept. p80

Keyboard, computer input, Lanston Monotype Co., July p73
Keyboard, electronic linecasting, Elk Co., Aug. p65
Keyboard feeder, single stroke, Ludlow Typograph Co., Aug. p66
Keyboard, typesetting, Graphex, Nov. p86
Keyboard, typesetting tape, Graphex, Inc., Aug. p66

Labeler, Magnacraft Corp., Feb. p80
Labeler, Magnacraft Corp., Oct. p80
Labeling head, Cheshire, Inc., June p82
Layout sheets, Homa Co., June p32
Lift truck, double reach, Moto-Truc, Feb. p84
Litho film, Visual Graphics Corp., Jan. p76
Loader, for labeling machines, Cheshire, Inc., Mar. p65

Magnetic tape input system, Mergenthaler Linotype Co., July p74
Matrix material, True Fidelity Products Corp., May p77
Matrix, Williamson & Co., Sept. p80
Measurement instruments, Welch Scientific Co., May p85
Mixer, fountain solution, Baldwin-Gegenheimer Corp., Dec. p66

Overlays, color-tint, Pantone, Inc., Oct. p39

Paper counter, electronic, Vacuumatic, June p82
Paper cutter, Challenge Machinery Co., Apr. p73
Paper cutter, Lawson Co., Apr. p63
Paper cutter, Lawson Co., Oct. p80
Paper cutter, Royal Zenith Corp., Dec. p64
Paper fastener, prong, Charles Leonard, Inc., May p86
Paster/inserter, for end sheets, Crawley Book Machinery Co., Jan. p71
Paper lining machine, Schuler Sales & Service Co., Nov. p80
Paper, pigmented offset, Allied Paper Inc., Nov. p34
Paper punch and drill, Consolidated International Corp., Nov. p79
Paper, water-soluble, Gilbreth Co., Nov. p31
Perforator, tape, Tally Corp., Apr. p73
Perforator, two-way, Rollem Corp., Nov. p86
Photocomposer, electronic, Datascan, Inc., Dec. p64
Photocompositor, music, Kaumagraph Co., Sept. p76
Photographic printer, Opto/Graphics Inc., Dec. p60
Photo-stabilization processor, Roberts & Porter, Inc., Oct. p76
Phototypesetter, Friden, July p76
Phototypesetter, Photon, Inc., Nov. p80
Phototypesetter, Star Parts Co., Nov. p85
Phototypesetter, Star Parts Co., Oct. p75
Phototypesetter, VariTyper Corp., Aug. p69
Phototypesetting computer, Photon, Inc., Nov. p79
Phototypesetting input unit, Information Control Systems Inc., Aug. p66
Pigments, bleed-resistant, Interchemical Corp., June p82
Plastic coated binder machine, Thermatron, Sept. p76
Plastic sheet, Mead Papers, Aug. p25
Platemaker, automatic, Krause Corp., Nov. p85
Plate, clad metal, Bridgeport Engravers Supply Co., Inc., Feb. p83
Platemaker system, computerized book, Datatronics Inc., June p77
Platemaking system, Union Carbide, May p80
Plate, presensitized, Edes Manufacturing Co., Apr. p66
Plate processor, automatic offset, National Machine Co., Oct. p75
Plate processor, DuPont, Aug. p69
Polyester sheet, Roberts & Porter, Aug. p25
Press, library stamping, Kensol-Olsenmark, Inc., Sept. p80
Press, offset, Miehle Co., Oct. p82
Press, perfecting sheet-fed offset, Royal Zenith Corp., July p78
Pressroom products, Anchor Chemical Co., Feb. p83
Press, sheet-fed offset, Miller Printing Machinery Co., Aug. p65
Press, sheet-fed offset, Royal Zenith Corp., Mar. p63
Press, short-run web, Royal Zenith Corp., July p80
Press, single-color offset, Harris-Seybold, Dec. p63
Press, web offset, Miller Printing Machinery Co., Apr. p70
Printer, typographic peripheral, Photon, Inc., Nov. p79
Proofing system, overlay, Azoplate Corp., Oct. p82

Riveting machine, looseleaf, Penn State Industries, Apr. p63
Rollers, aluminum and steel, Fife Corp., Feb. p83
Ruler, drawing and drafting, Lehman, Inc., Jan. p25

Scanner, color, Rutherford Machinery Co., Dec. p63
Scanner, optical, CompuScan, Dec. p59
Screen process unit, nuArc Co., Inc., Mar. p66
Sewing machine, book, E. C. Fuller Co., May p80
Sheet lifter, molded, Charles Leonard, Inc., Sept. p80
Shrink film pallet system, Anderson Electric Co., Nov. p80
Shrink packaging system, semi-automatic, Weldotron Corp., Feb. p83
Shrink-pack system, Trepel Systems, Inc., Jan. p71
Shrink wrap system, Pak-It Associates, July p78
Shrink wrap system, Roll-O-Sheets, May p86
Sink, washer-viewer darkroom, nuArc Co., July p80
Skid turner, Southworth Machine Co., Sept. p80
Skid turner, Woodward Research Co., Sept. p76
Splicing sensor, automatic, Butler Automatic Machine Co., Nov. p82
Stacker, paper, American Manufacturing Co., Sept. p76
Stamper-embosser, automatic, Schuler Sales & Service Co., Oct. p75
Stitching head, eyelet, Consolidated International Corp., Mar. p64
Storage unit, direct access, International Business Machines Corp., Mar. p63

Table, multiple usage, Homa, Mar. p66
Tape controller, Infotec, Inc., Oct. p80
Tape unit, Friden, July p76
Terminal, magnetic tape, Tally System, June p82
Terminal, portable remote, Electronic Data Systems Corp., Mar. p63
Text editing program, International Business Machines Corp., Apr. p61
Text processor program, International Business Machines Corp., July p77
Text setting machine, VariTyper Corp., Sept. p.75
Transparency viewer, Macbeth Corp., May p86
Turning-in machine, round corner, Oscar Friedheim Ltd., Feb. p83
Tyer, automatic, Mailers Equipment Co., Nov. p80
Typeface, Optima, Amsterdam Continental Types, Inc., Jan. p25
Typeface, Plantina, Westcott & Thompson, Inc., Mar. p33
Typesetting system, Alphanumeric, Inc., Aug. p65
Typewriter, modular computing, Dura, June p78

Vapor recovery system, self-programming, Aircon Corp., Feb. p83
